

Annex 2

To the Special Provisions of the Contract as of _____, 20____
No. EDZL-_____

Staff, Facilities and Equipment Provided by the Employer, and Services Provided by Third Parties

During execution of the Contract, the Consultant shall be provided with the resources, in accordance with the provisions of the Works Contract, specified in Clause 5.4.1. "Temporary structures, premises and equipment" of the Annex "Technical Specification" to the Works Contract. The above mentioned resources shall be provided by the Contractor at his own expense in accordance with the conditions laid down in the Works Contract.

Other resources such as facilities, equipment, staff, premises, warehouses and any other resources required for the Contract performance shall be provided by the Consultant at his own expense.
